

Nikolaos Saoulidis UX Designer

niksaoul@gmail.com · +46 708732910 · [LinkedIn](#) · nikossaoulidis.xyz · Gothenburg, Sweden

EXPERIENCE

UX Designer

Full-time (fixed contract) · Ericsson (Enterprise Wireless Solutions) · Jun 2025 – Present · Gothenburg, Sweden

- > Designed end-to-end UX for complex 5G network configuration workflows, from technical pre-studies to production-ready Figma prototypes serving global B2B industrial customers ([NetCloud Manager](#), [Network Management Portal](#))
- > Built AI-powered design workflows adopted across UX and developer teams, reducing manual handoff work and improving the quality of agent-generated code
- > Translated dense technical requirements into intuitive interaction flows in cross-functional collaboration with developers, architects, and product owners
- > Facilitated alignment workshops with product, engineering, and business stakeholders across global teams
- > Served as Scrum Master and represented the team as speaker in internal and external conferences

UI/UX Designer

Full-time · Aristotle University IT Center · Aug 2022 – Jul 2023 · Thessaloniki, Greece

- > Led the redesign of the [EWP Dashboard](#), a European platform used by thousands of higher education institutions
- > Managed a cross-functional team of 4 (developers + interns) using Agile/Jira
- > Conducted user research (surveys, interviews) and translated findings into shipped design improvements
- > Created visual identities, logos, and brand assets for institutional web applications used across Europe

UI Designer & Web Developer

Part-time Internship (50%) · Aristotle University IT Center · Dec 2019 – Jul 2022 · Thessaloniki, Greece

- > Designed and developed UI components (HTML, CSS, JavaScript, React.js) for the EWP Dashboard
- > Iterated designs based on user feedback from European partner institutions

EDUCATION

Interaction Design & Technologies, MSc · Chalmers University of Technology · Aug 2023 – Jun 2025

Onassis Foundation Scholarship · Thesis: permanent interactive museum installation (running at 2 museums since May 2025)

Teaching Assistant in Interaction Design Methodology: assisted lectures, guided students, graded final design projects

Coursework: Graphical Interfaces, Prototyping, Information Visualisation, Human-Robot Interaction, Accessibility

Electrical & Computer Engineering, MSc · Aristotle University of Thessaloniki · Sep 2016 – Jun 2022

Thesis: "Automated Task Assignment using Topic Modelling Techniques on Project Management Data" (published in [IET Software](#))

Coursework: Software Engineering, Machine Learning, Data Analysis, Computer Networks
